

Simply Do IT
Hardware Solutions

Simply Do IT design and install quality kitchens, build-in cupboards, vanities and more for both corporate, retail, contractors and individual clients in the Western Cape.

We strive to provide excellent service and tailored workmanship in the building industry by manufacturing cut & edge in our factory.

We also supply hardware and construction building materials to accommodate turnkey projects in which we can design and build as set out by a client.

WHO WE ARE

We are specialists in the field of manufacturing cupboards using A-grade materials to ensure excellent quality and workmanship.

- Design and installing of new kitchens
 - Remodelling of existing kitchens
 - Built-in bedroom cupboards
 - Bathroom vanities and medicine units
- Bar, Garage units and studies
 - Added value of Project Managing
 - Hardware and construction materials
- Doors and windows
 - Ceilings & Roofs
 - Shop fitting
 - Painting

SPECIALISTS IN

- Solid woods and veneers
- Deco paints (high gloss or satin, any colour)
- Paint techniques (different styles)
 - Wrap doors
- Melamine (colour or white)
 - All our units are manufactured with A-grade melamine
 - We assemble our cabinets in our workshop using screws not nails
 - All units are assembled with white masonite backing
- We use 2mm impact on melamine doors
